

"How do i care for my treats?"

Buttercream cakes and cupcakes are sensitive to heat. They should be stored in the fridge or a cool room, away from sunlight. Defrost for 10 minutes prior to consumption. They are best consumed within 3 days. Or may be stored in an air tight container and kept in the fridge for up to 5 days, or in the freezer for up to 7 days

Ice cream cakes require special care, and must be transported from freezer to freezer to maintain the shape of the layers. Please ensure the venue of choice has ample freezer space to store your cake. They are best consumed within 3 days. Or may be stored in an air tight container and kept frozen for up to 5 days..

Meringue kisses are attracted to moisture. Refrigerate kisses in an air tight container for up to 3 days, or freeze for up to 7 days. They are best consumed within 5 days. To restore a crunch, place kisses in a preheated oven at 90°C on grill for 30 minutes.

Our cookies and treats are best consumed within 3 days and are best kept in an airtight container for up to 5 days at room temperature, or refrigerated up to 7 days.
